Dear Tim:

I am writing this letter to thank your company, Tim Roberts Construction, for the job well done relocating our office kitchen. Within the two weeks of the construction project, your company showed diligence and dedication to finish work in time, which greatly benefited us.

Even though we changed some things along the way, your company was able to maintain the efficiency of our project. Your attention to the specifics of the construction as well as proper scheduling has been very remarkable, resulting in a job well done.

Again, I would like to express my gratitude in providing your 100% in completing our kitchen project. We would not hesitate to refer Tim Roberts Construction to other organizations that are also in need of quality services from a contractor.

I hope that this would be the start of our continuous relationship and future success.

Sincerely,

Jennifer Gilbride

Controller
